Dean: RAND

"Wilson here"

also at UCLA

will be in Tokyo later

What could I do at  
RAND?

(not: too critical  
of RAND; or USA (=)

2-21-8

Origins of RAND:

- acceptance of

legitimacy + necessity  
for (tech development  
and application of)

Strategic Airpower/

(Nuc) Bombing

(can't) not  
build SAC

a SAC-dominated

USAF

(not) air defense;  
close air support;  
submarines

thoughts, intellectual  
with human, behind  
instincts

war as Good War  
(OW  $\approx$  WWI)  
occupation of  
war of some years

[seeing the Devil]

not: abstr. of mind  
or of war, only and

(most, yes until  
war 35

\* was a Warrior

a Deterrer\*

(A Thug at Type I - needed  
a Deterrer <sup>actually</sup>  
not a Warrior)

imperialist

(VH: probably see,  
with 304)

\* working for the  
Air Force

Next: Critique of  
Client-Sponsored  
System Analysis  
("rationality")

Now best to... (you start  
remembering)

Ideal. II (wind-bell)

Human imperfections:

But we run  
country — though  
are dictators —

then they do:

though (Com) slave  
state.

But a neo-colony  
is (still) a slave state,

Non-Comm (SO) regimes  
that risked becoming Com  
would have been better for the

(+ us) than (an overbearing) ANTI-  
COM DICTATORSHIP

Note: look of  
a RAND  
for a Service  
~~for~~ on incentive  
a financial group  
(state) sponsor  
for  
abolition of uses
